NIMA MOHAMMAD ZADEH

— A NEW CHAPTER

I’ve started my MBA at Sharif University of Technology.

I said a few sentences. It got done.

A registration I wasn’t part of.

— 01 — TWO DAYS LATER

Only about

2 hours

left to register for university.

I had just opened my daily bot.

— 02 — REGISTRATION

I told a new bot

NIMA

Go register me.

JIMINOTRON

Registered.
Courses selected.

— 03 — ON ITS OWN

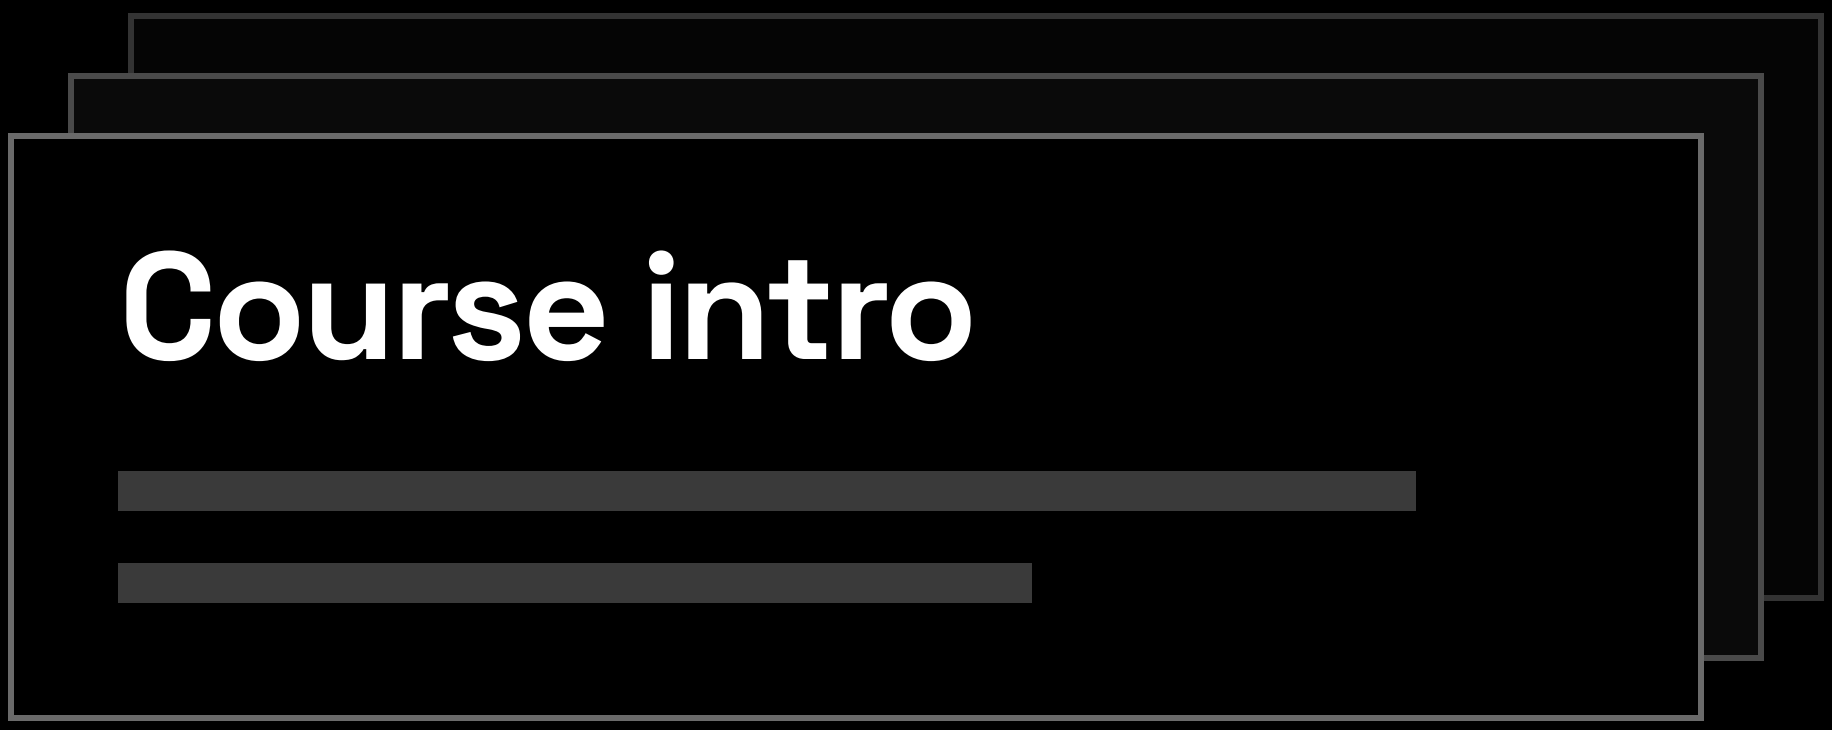

It knew what to do from my emails.

Jiminotron became my study assistant.

— 04 — COURSES

An intro sheet for every course.

I had only asked for a brief.

— 05 — STUDY TOOL

Then a study app.

04
Assignments

An AI chatbot is going to be added.

— 06 — THE HANDOFF

Jiminotron passed the app to Jimmy.

Me

my registration

— 07 — WHEN I CAME BACK

Everything was ready.

- [x] Registration and courses
- [x] Course sheets, a study app

My part was a few sentences.

— 08 — WHAT’S NEXT

Two years. With AI agents.

My MBA plan: see if agents can earn a master’s degree.
